## Unrivaled Leader in ACMI Medium Wide-body Aircraft

To date, ATSG has the largest fleet of medium wide-body aircraft in the world and is an attractive option for potential customers trying to penetrate growth markets.

## Air Transport Services Group

Air Transport Services Group is a leading provider of air cargo transportation and related services to domestic and foreign air carriers and other companies that outsource their air cargo lift requirements.

Through its principal subsidiaries, including two airlines with separate and distinct U.S. FAA Part 121 Air Carrier certificates, ATSG provides air cargo lift, aircraft leasing, aircraft maintenance services, and airport ground services.
